

ACKNOWLEDGEMENTS

This handbook is produced by the Florida Department of Transportation (FDOT) Central Environmental Management Office (CEMO) and prepared by Powell, Fragala & Associates, Inc. Many dedicated professionals provided on-going reviews and suggestions for earlier versions of the Sociocultural Effects (SCE) Evaluation Handbook and its application. Special thanks is extended to the Metropolitan Planning Organizations' (MPO) staff; FDOT District Community Liaison Coordinators (CLC) and Efficient Transportation Decision Making (ETDM) Coordinators; and the Florida GeoPlan Center. Their commitment and dedication is evidenced throughout this Handbook. Their personal effort and time is greatly appreciated.

A special Sociocultural Effects Task Group was formed to re-examine how sociocultural effects evaluations are conducted and to recommend specific actions for improving the evaluation process. The SCE Task Group provided additional clarity to the process.

SCE Task Group Members include:

- George Ballo, CEMO - Task Group Chairman
- Greg Burke, Tallahassee-Leon County MPO ETDM Coordinator
- Rich Clarendon, AICP, Hillsborough MPO ETDM Coordinator
- Sabrina David, FHWA
- Rusty Ennemoser, CEMO
- Louise Fragala, Powell, Fragala & Associates, Inc.
- George Hadley, FHWA ETDM Coordinator
- Lee Ann Jacobs, AICP, FHWA
- Frank Kalpakis, AICP, URS Corporation
- Nancy Model, West Florida MPOs
- Kathy Neill, FDOT Policy Planning
- Pam Nielsen, Powell, Fragala & Associates, Inc.
- Gwen Pipkin, FDOT District One SCE Coordinator
- Ruth Roaza, URS Corporation
- Susan Sadighi, FDOT District Five CLC
- George Sirianni, FDOT FIHS
- Suraya Teeple, AICP, FDOT District Two ETDM Coordinator
- Dawn Tuton, FDOT District Five ETDM Coordinator

Special thanks to Janus Research, Data Transfer Solutions, LLC, Dyer, Riddle, Mills & Precourt, Inc., and URS Corporation for their contributions to this Handbook.
